Introduction  
From Nathaniel Jones

When I began working on this project, I envisioned a book for the ages. Like the works of Homer, Sophocles, or Shakespeare, “101 Greatest Poop Jokes” would be revered by millions and passed down from generation to generation. That’s why I put “greatest” in the title.

With that dream in mind, I set down to write 101 great poop jokes. Of course, I had heard poop jokes in the past, for they have existed ever since Adam pooped for the first time and realized how hilarious it was. However, I did not wish for this to be simply a collection of jokes that I had heard; if this was going to become the Literary Masterpiece that I knew it had to be, the only jokes worthy of inclusion had to be written by the greatest minds in modern humour. And by that, I mean they would have to be written by me.

What you hold in your hands now is the fruit of my labors – countless hours spent contemplating the many humorous aspects of fecal matter, studying its intricacies and nuances, and carefully formulating my findings into the category of humor which has rightfully earned its place in the upper echelon of wit: the poop joke.

And now, gentle reader, it is my humble honor to welcome you to “101 Greatest Poop Jokes.” Carry on, and may these pages fill you with as much amusement as I had in writing them.

- Nathaniel Jones

Section One:

Knock Knock, Poop Poop

*Aside from poop jokes, the most widely adored style of humor is the beloved “knock knock” joke, and so I feel it is appropriate to begin this book with a combination of the two.*

#1

“Knock Knock!”  
“Who’s There?”  
“Poop!”  
“Poop who?”  
“Poop-dee-doop!”

#2

“Knock Knock!”  
“Who’s there?”  
“Poo!”  
“Poo who?”  
“Poo poo!”

#3

“Knock Knock.”  
“Who’s there?”  
“Ihafta.”  
“Ihafta who?”  
“Ihafta poop!”

Section Two:  
Classic Joke Forms

#4

“Knock Knock!”  
“Who’s there?”  
“Butt!”  
“Butt who?”  
“Butt with poop in it!”

*Over the years, several well known joke forms, in addition to the “knock knock” joke, have endeared themselves to fans of humour everywhere. This section follows in these traditions, but with a poopy twist!*

*I don't know if you've ever tried to write 101 poop jokes, but if you have, you know how difficult it is to come up with new and interesting ways to make poop funny.
